

Accessing the Department of Licensing and Regulatory Affairs (LARA) Business Entity Search

Performing a Business Entity Search on the LARA website allows access to:

- Viewing and printing past annual reports
- Viewing and printing the original Articles of Incorporation
- Obtaining an organization's entity ID
- Verifying an organization's current status with the State of Michigan

How to perform a Business Entity Search

1. Go to www.michigan.gov/laraonlineservices
2. Under the Corporations, Securities & Commercial Licensing Bureau header, select **Business Entity Search**.
3. Enter all or part of the organization or business name.
4. The search results will list the name, ID number and type. You can sort the results by clicking on the blue header.
5. Click on the business name.
6. Select **View Document Images**. You can view any of the reports by clicking on the camera icon. Documents may only be printed and cannot currently be saved to a computer.
