

ELMobility Room Volunteer Responsibilities

For those willing to volunteer please send us:

Your Name

Your Phone Number

Your E-mail Address

Your City or Area that you are willing to work in or around.

No child care is involved! Units will be required to provide their own child care.

Volunteers will be responsible for:

Towing the trailer to the location requested by the Military unit or Organization

Unload items from the trailer with the assistance of Military unit volunteers

Set-up room items in an attractive and inviting manner

Park and secure the trailer near the entrance of the facility being if allowed using door locks and hitch lock

Return following the event and sanitize hard surface items using disposable wipes

Pack up items into the trailer as securely as possible so not to be damaged during travel

Present the Unit with their Leave behind box (1st visit to unit only as available)

Tow Trailer back to Home location or designated relay point

Volunteers will be reimbursed for their fuel costs and lodging* by the Reconnect Committee

(*Lodging costs will be paid as a last resort if local volunteers are not available.)

The more volunteers we get, the less we will have to call on everyone to go with the room.

Thanks for your support and assistance in serving the Children of our Michigan Military Families!
