### **Post Recovery and Closures:**

A Title Search shall always be done before taking/receiving any property from a post that is closing. The money needed to perform this search will come out of the line item, which is currently labeled “Post Recovery”.

When the Title Search is complete and the Department makes the determination to claim ownership of the property, the Department shall file “Notice of Ownership” with the county Register of Deeds.

If property or buildings become the property of the Department, the Department Adjutant shall guarantee that the property is properly insured.

Every effort should be made to ascertain an Assessed Value from the city or county. Because the property is used for charity, it is exempt from property taxation. The local Assessor should be invited to inspect the property and provide a tentative SEV. The Assessor should do this because there is a high likelihood the buyer will not have the charity exemption, thus local government can enhance its property tax base. If an SEV cannot be determined, an independent Appraiser should be retained to determine the cash value of the property.

When the cash value of the property has been determined by a property taxation professional, the amount can be used to negotiate with a licensed Real Estate Broker to determine the “Asking Price” of the property. If a majority of the Finance/Personnel committee approved the “Asking Price” of the property, the Department Adjutant may sign a “Listing Agreement” with the Broker.

When a prospective buyer makes written offer to purchase the property, the Department Adjutant shall transmit the offer to the Finance/Personnel committee. A majority of the committee can accept or reject the offer. Additionally, the Department Adjutant could be authorized to make a counter-offer to the prospective buyer.

Upon sale of the property, the profit will be kept in the “Post Recovery” fund to be used for similar situations and as the Finance/Personnel committee determines, and is approved by the DEC. (February, 2016)

### **Amendments:**

These procedures may be amended, in content but not in format, by a majority of the members of the committee; submitted to the Internal Affairs Committee for review and recommendation and approved by the Department Executive Committee.
