## ***MEMORIAL DAY PRAYER***

***Compassionate one,  
lover of all nations and people,  
on this weekend when we remember and honor  
those who have been killed in our nations wars,  
we are confronted anew with  
issues of peacemaking in our time.  
We see how violence and war  
are taking many forms,  
fueled by religious intolerance,  
historical hatreds and divisions,  
poverty and powerlessness,  
and by our self-righteousness and fear.  
Still our spirits long for  
another way.***

***Receive our prayers of intercession  
for all those places  
where hostilities rage from within and without,  
and for all who need  
love and healing. Amen.***

***I pledge allegiance to the Flag  
of the United States of America,  
and to the Republic for which it stands,  
one Nation under God,  
indivisible, with Liberty and Justice  
for all.***

## Preamble to the Constitution

For  
**G**od and **C**ountry  
we associate ourselves together for the  
following purposes

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autoocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.
