Proud Supporter of:

...“It was a great setting for me and the other veterans to enjoy ourselves when so many of us find very little enjoyment in our lives otherwise. And, best of all, the retreat was a sincere act of gracious love given to us with no expectations or hidden agenda.”

“Thank you American Legion for providing us with the opportunity to go on this trip. The generosity of your organization has been truly touching and it has given me great comfort knowing that during this transition period in my Military career I have so many veterans and a veterans organization that would do something as extraordinary as sending me on a honeymoon. If there is anything that I can ever do for the American Legion please know that I am only a phone call away.” - Andrew -US Marine
