**NEW BUSINESS**

Read Resolution 18-C-7, concerning DMS dues. Motion by Loop to accept, supported by Morrison. Motion passed.

104 posts made 100%. 29 posts made 100% before December 31, 2017. Chairman thanked them.

Spring Incentive went well. Highest turned in was 10. Four people were submitted for the Al Ford Award. Checks will be issued during Convention this weekend.

Chairman Andrus urged everyone to get out and talk membership whenever you can. This year was one of the poorest in many years.

Brian Morrison presented a program from the 19th District that he shared with everyone on how to encourage posts to work on membership.

Much discussion was held on ways for posts to make themselves visible in the public and also reaching out to veterans.

Being no further business, Chairman Andrus adjourned the meeting at 9:45 a.m.

Respectfully submitted,

Jerry Andrus, Chairman
