February 7, 2026

Commenced 10:08AM

Adjourned 10:28

5 Committee members

6- Guests

Chairman read minutes of previous meeting, moved by J. Andres supported by L. Chase to accept minutes – passed

Jerry Andres, Blood and Vital Organs spoke on 4 million units a year collected and 30,000 used per day. We are having a hard time keeping up with demands.

Larry Chase spoke on POW/MIA; Capt. Charles Gibson recovered March 17, 2025 from the Chosen Reservoir, Korea missing since 9.11.1950, plus 9 others. 1 from Grand Haven KIA WW2, 32 Red Arrow Davison, New Guinea

D. Corrigan spoke on information from the National Security committee,

Chairman announced that we will be conducting zoom meeting monthly and passed out Survey form's, to all present, noting that the answers from these form will determine the date and time all future zoom meeting for our committee will take place.

Moved by Time Walter supported by Larry chace to adjourn

Respectfully Submitted,

Michael Buda
