Deadline Extension for CPR'S: Has Your Post Turn One In?

The Consolidated Post Report (CPR) was established in 1975 in order to assist departments in the documentation of the various activities a specific post has done during the twelve-month reporting period, June 1 through May 31. The CPR may be the most beneficial document the post will complete. The post's information, combined with that of other posts, is used when the National Commander and others testify on Capitol Hill as mandated by our federal charter. Each post has a story to tell and when we speak collectively our strength is magnified.

Deadline to submit your Consolidated Post Report has been extended to July 15.

If you haven't turned in a CPR now is the time to do it. The CPR can be filled out online in MyLegion or you can contact Deanna in Membership at 517-220-2756 or member@michiganlegion.org for assistance.

Update on Post Membership Card Shipments:

The 2023 membership cards have arrived at Dept. HQ and we have sent out 302 packages within the last week to those Posts that have submitted their 2023 membership forms.

To see if your Post hasn't sent in the required forms, visit www.michiganlegion.org and click the link titled "Post Forms Still Needed".

The required forms can be found at www.michiganlegion.org/forms under the heading "Post Adjutant". These forms can be scanned and emailed to Deanna (member@michiganlegion.org) or sent by USPS.

Don't delay! Submit your forms as soon as possible to receive your 2023 membership cards to provide to your Post's members.

SAL Membership Cards:

We are still waiting to receive membership cards for the Sons of the American Legion from National. We are not sure when they will be received but once we have them we will get them shipped out.
