YOUTH & COMMUNITY PROGRAMS: PUTTING OUR MISSION INTO ACTION

The American Legion's Youth and Community Programs give Posts and Squadrons meaningful ways to connect with their communities, support young people, recognize outstanding citizens, and strengthen the Legion's presence throughout Michigan.

This guide was created to make participating easier. Inside, you'll find program overviews, eligibility and application information, important deadlines, scholarship and award opportunities, fundraising ideas, and resources to help your Post or Squadron get involved. Whether your Post already participates in several Department programs or is looking for somewhere to begin, you do not have to do everything. Start with one.

Take On One New Program This Year

I challenge every Post and Squadron to choose one program, project, or community recognition opportunity that you have not participated in before.

That could mean sponsoring a student for Boys State or Student Trooper, recruiting a student for the Oratorical Contest, sharing scholarship opportunities with your local schools, recognizing an outstanding teacher or first responder, supporting Scouting, or exploring Junior Shooting Sports.

Many of these programs require little or no financial investment—just time, outreach, and a willingness to get involved. For programs that do require sponsorship funds, this guide also includes fundraising ideas and resources to help.

Programs & Opportunities Included in This Guide

- American Legion Baseball
- Youth Scholarships
- Junior Shooting Sports
- Oratorical Contest
- Boys State
- Scouting Programs
- Student Trooper
- Teacher of the Year
- Law Officer of the Year
- Firefighter of the Year

We're Here to Help

You don't have to navigate these programs alone. Your Zone and District leadership, Department Committee Chairmen, and Department Headquarters are available to answer questions and help your Post or Squadron get started.

Questions? Contact Ashley Zimmer, Programs Coordinator, at legion@michiganlegion.org.

Moving Forward Together

The more your community knows about what the American Legion does, the more they will support your Post. Together, we can make this year an outstanding one for The Department of Michigan, for your Zone, your District, and for your Post.

Finally, a reminder: If your Post or individual Legionnaires choose to volunteer with programs involving anyone under 18, it is strongly recommended that you complete a yearly background check and abuse awareness training. This protects not only our youth, but also the integrity of our programs and the good name of the American Legion. For more information, please email: legion@michiganlegion.org.

The American Legion Law and Order Program: Honoring Our Community's Heroes

In the Preamble to the Constitution of The American Legion, we pledge ourselves to ten noble purposes. Among them are:

- To uphold and defend the Constitution of the United States of America
- To maintain law and order
- To foster and perpetuate 100% Americanism
- To inculcate a sense of individual obligation to the community, state, and nation
- To promote peace and goodwill on earth

To fulfill these purposes, the Legion strives to uphold law and order in our homes, our Posts, and our communities.

One of the most meaningful ways we do this is by recognizing the unsung heroes among us—the men and women who serve as law officers, firefighters, EMTs, and paramedics. These professionals, both paid and volunteer, give of themselves daily to safeguard our freedoms, protect our neighborhoods, and respond selflessly to emergencies. Their sacrifices often go far beyond the call of duty, and the American Legion is proud to honor their service.

Firefighter and Law Officer of the Year Awards

Each year, the American Legion recognizes outstanding first responders through the Firefighter of the Year and Law Enforcement Officer of the Year awards.

- Eligibility: All nominees submitted to the Department must be Michigan-certified Firefighters, EMTs, Paramedics, or Law Enforcement Officers.
- Advancement: The winners at the Department level will be forwarded for consideration at the National level.

Judging Criteria

Nominees will be evaluated on the following qualities:

- Professional Excellence (40 points): Consistently exceeds the duty requirements of their position, demonstrating dedication and professionalism.
- Heroism (20 points): Acts of courage and bravery that embody selflessness in the line of duty.
- Community Service (5 points): A clear pattern of service, whether on or off duty, that strengthens community well-being.
- Supporting Documentation (5 points): Letters of recognition, official documentation, or news coverage that confirm the nominee's impact.

Required Paperwork

To be considered at the Department level, Posts must submit completed nominations to Department Headquarters by **January 8, 2027**. Submissions must include:

- Completed Cover Sheet
- 5x7 Photograph of the nominee
- Narrative (up to 6 pages, one-sided): A detailed account of the nominee's outstanding service, including letters of recommendation
- Supporting Documentation (up to 12 pages, one-sided):
 - State or federal certification
 - Letters of support from officials, commendations, newspaper articles, certificates of training, and other evidence of service and impact

How Posts Can Support the Program

Every Post is encouraged to take part in this important recognition. Consider hosting an Awards Ceremony—with a dinner if possible—to honor local law enforcement officers, firefighters, EMTs, and paramedics, along with their families. These ceremonies can be held by individual Posts or jointly with neighboring Posts to strengthen community recognition.

Recognition can take many forms: certificates, plaques, or other awards. Posts are also encouraged to partner with local agencies by asking leadership or colleagues to help select their outstanding professionals for nomination.

If your Post already honors a local Law Officer or Firefighter of the Year, we urge you to pass their nomination on to the Department for statewide recognition.

Nomination Forms

Nomination forms for both awards are available now:

- www.legion.org/lawofficer
- www.legion.org/firefighter

THE AMERICAN LEGION SCOUTING PROGRAM: BUILDING CHARACTER, HONORING EXCELLENCE

The American Legion, Department of Michigan, is proud to sponsor more than 65 Scout troops, packs, and crews across our Posts. Our partnership with the Boy Scouts of America dates back to the Legion's very first National Convention in 1919. From the beginning, it has been a natural fit—Legionnaires, with their service-learned skills, discipline, and leadership, helping to guide and mentor the next generation of American citizens.

Few Post activities generate more goodwill in the community than Scouting. It is a visible reminder of the Legion's commitment to fostering character, citizenship, and service in our nation's youth.

HONORING EDUCATORS:

THE AMERICAN LEGION TEACHER OF THE YEAR AWARD

K-12 teachers are a national treasure. Their work is not only to educate, but to inspire, challenge, and shape the future of our nation. Day after day, they guide students through lessons that extend far beyond textbooks—teaching principles, values, and critical thinking that prepare young people to be tomorrow’s leaders.

The American Legion understands the unique challenges educators face. Many dedicate their own personal time and resources to ensure their classrooms are places of growth, discovery, and opportunity. Some go even further, instilling in their students the timeless values of patriotism, Americanism, and civic responsibility, reminding us all of the founding principles upon which this country was built.

To honor this commitment, the American Legion, Department of Michigan, proudly recognizes five outstanding teachers each year who embody these ideals and make a lasting impact in their classrooms and communities. While this recognition may be only a small gesture compared to the enormous contribution educators make, it is our way of saying: your service matters, and we are grateful.

How Posts Can Participate

We encourage every Post to connect with local schools and help identify teachers who reflect the Legion’s values and commitment to students. Working together, Posts can ensure that deserving educators receive the recognition they have earned. By nominating a teacher, your Post not only uplifts an individual educator—it also strengthens the bond between The American Legion and the community, showing students, parents, and schools that we stand proudly beside those who prepare the next generation.

- Nominations due March 5, 2027
 - Nomination Forms are available at: www.michiganlegion.org/teacher

How to Raise Funds to Sponsor a Student for Boys State and Student Trooper

The cost of sponsoring a student—\$500 for Boys State or \$475 for Student Trooper—can sometimes be a challenge for Posts. With a little pre-planning and creativity, however, Posts can make these life-changing opportunities possible for Michigan's youth.

Even if the Post's bank account is low this year, there are many proven and creative ways to raise the necessary funds. Remember, sponsoring a student is not just a financial expense—it's an investment in the future leaders of our communities.

Proven Fundraising Methods

1. Post Funds

- Make Boys State and Student Trooper annual budget items in your Post's Program Expenditures.
- By planning ahead, sponsorship becomes a routine expense rather than an unexpected burden.

2. SAL & 40/8 Funds

- Reach out to your Sons of the American Legion Squadrons or 40/8 Voitures for sponsorship or partial support.
- Don't wait for them to offer—ask directly. Many are eager to help but need to be invited.

3. Special Fundraising Events Posts have successfully raised funds with:

- Dinners or Fish Fries
- Dances or Casino Nights
- Golf or Fishing Tournaments
- Bowl-a-thons or Cornhole Tournaments
- Bingo Nights earmarked for the programs
- Card Parties or Trivia Nights
- White Elephant Auctions
- Bake Sales or Garage Sales

4. Booster Clubs

- Collect donations from members and friends of the Post.
- Recognize donors by publishing their names in the Post Newsletter or on a wall display in the Post Home.

5. Outside Donors

- Approach local organizations such as the Moose, Elks, Rotary, Kiwanis, Optimist, Lions, or Knights of Columbus.
- Many civic organizations already budget for youth programs and are happy to partner with the Legion.

6. Appeal for Donations in the Post

- Place a donation jar in the lounge, game room, or dining area.
- Pass the jar at Post functions, dinners, or meetings.

Additional Fundraising Ideas

- Corporate Sponsorships: Local businesses often sponsor youth programs in exchange for recognition in newsletters, social media, or event signage.
- "Adopt-a-Delegate" Campaign: Encourage members or families to donate specifically toward one student's sponsorship, either individually or in groups.
- Raffles: 50/50 raffles or prize raffles at Post events are popular and profitable.
- Legacy Giving: Ask members if they'd like to make Boys State/Student Trooper sponsorship part of their memorial donations or annual giving.
- Crowdfunding: Set up a small campaign on platforms like GoFundMe or use social media to highlight the Post's efforts to send students.
- Community Challenges: Partner with schools or youth organizations for coin drives, "round-up" change jars at local businesses, or community walk/run events.
- Annual Sponsorship Drive: Dedicate one month each year to fundraising specifically for Boys State and Student Trooper, making it a Post tradition.

The possibilities are truly limited only by imagination and the willingness to work together. Every dollar raised helps open the door for a student to attend Boys State or Student Trooper—an experience that can shape their character, leadership, and future. When Posts make youth sponsorship a priority, they also strengthen their connection with families, schools, and communities—building goodwill that benefits everyone.
