VETERANS AFFAIRS AND REHABILITATION

RESOURCES

As a district commander, you may encounter situations during your commandership where a veteran will approach you in reference to financial assistance. You should always refer them to the appropriate agencies within the veteran's community such as Red Cross, Veterans Trust Fund, Soldier/Sailor Relief Commission, etc. If, however, these options have been exhausted, department headquarters provides the following options based on eligibility and available resources.

The American Legion Department of Michigan Veteran Services Regional Office

Our staff is dedicated to providing the very best veterans’ advocacy to Michigan Veterans and their families. They can assist with Claims Preparation, Presentation and appeal counsel in Veterans’ benefits services. Assist you and your Dependents in getting the Benefits that you have earned by your service to your country.

The Patriot Fund was created to provide Emergency Temporary Financial Assistance to Veterans, Active Duty Service Members and their families in time of need. This fund will be available to Michigan veterans of all eras, and is specifically intended to help veterans who do not qualify for other existing Financial Relief programs. This fund has proven to be vital in providing life impacting relief for Michigan Veterans and their families! The Patriot fund is one of the few, if not the only fund available to non-wartime veterans in our state.

The Patriot Fund has prevented hundreds of evictions, utility shut offs, medical and transportation assistance to our Michigan Veterans. It has also provided our VA HUD-VASH Coordinators at our VA Medical Centers a way to facilitate the security deposit and first month’s rent when placing homeless veterans into permanent sustainable housing. This allows for immediate assistance while waiting for their VA HUD-VASH Voucher to kick in. The Patriot fund was there when a Korean War Veteran, drafted and sent to Korea just outside of the recognized VA Eligibility dates, needed a new furnace in the middle of one of our coldest winters. The Patriot fund has been there supporting Michigan National Guard families who have not yet been deployed and who do not have dependent children in the home.

Over the life of the Patriot Fund, the Reconnect Committee and the American Legion Dept. of Michigan have helped well over a thousand veterans and their families in the form of $500.00 to $750.00 Life changing grants! This year alone, the Patriot Fund has accounted for more than 70% of the Emergency Temporary Financial Assistance grants processed by the Reconnect Committee and as such is almost depleted. We need the help of our entire Legion Family more than ever to rebuild this vital one of a kind Veteran Assistance Fund here in Michigan. The American Legion has earned the reputation as the “Go To” veterans organization here in Michigan and receives requests and referrals directly from the National Guard, the VA’s Veteran Assistance / HUD-VASH Coordinators, the American Red Cross, the Low Income County Housing Assistance Offices and even national organizations such as Operation Homefront.

The application procedure and administration of this fund is similar to the current Department Emergency Financial Assistance program. It will be managed under the supervision of the Reconnect Committee with Department oversight and approval.

An initial donation of $10,000.00 was collected in cooperation with ACO Hardware the week of May 18th through May 25th 2009. With your help, we are hoping to turn this into a self-sustaining endowment fund, and as such we are hoping that each Legion,
Auxiliary and SAL member will consider donating at least $1.00 this year to help us accomplish this. With all of the economic uncertainty here in Michigan the need for this fund has become vitally important and with the impending draw down in Afghanistan, the need will only grow.

All contributions should be sent to Department Headquarters attention: Finance. Please make checks payable to: The American Legion Department of Michigan Memo Line: The Patriot Fund

Please put the word out to your Post, District and Zone officers and members about this fund. We will also be putting ads in the upcoming Legionnaire editions as well as on the Department Webpage.

Thank you for your support and for your interest in this fund.

THIS FORM REVISED - 6-6-2012 By VA&R Division & State Adjutant
TEMPORARY FINANCIAL ASSISTANCE
Helping children since 1925

ELIGIBILITY

Eligibility for Temporary Financial Assistance is limited to minor children of veterans. The parent must have served at least one day of active duty in the Armed Forces of the United States during one of the following periods:

- December 7, 1941- December 31, 1946
- February 28, 1961- May 7, 1975
- August 24, 1982- July 31, 1984
- December 20, 1990- January 31, 1990
- August 2, 1990- Cessation of hostilities as determined by the U.S. Government.

MEMBERSHIP IN THE AMERICAN LEGION IS NOT REQUIRED.

Minor children include and unmarried child, stepchild, and adopted child 17 years or younger. Children 18-20 years old will be considered if a current disability requires special schooling or indefinite in-home care, or they are enrolled in an approved high school.

No child is considered eligible for TFA until a complete investigation is conducted, a legitimate family need is determined, and all other available resources have been utilized or exhausted.

TFA applications must originate and be investigated at the local level. When all other possible resources have been exhausted, contact your local American Legion Post, Department Headquarters, and/or Department Children & Youth Chairmen.

Since 1919, The American Legion has remained committed to the health and welfare of our nation’s veterans and families. Born out of this desire to serve, the National Commission on Children & Youth established a form of direct aid to a veteran’s children in 1925- Temporary Financial Assistance (TFA). This landmark program continues to be unique in the field of social work today.

How TFA Helps Children

TFA is specifically designed to assist minor children of eligible veterans though cash grants. In order to maintain a stable home environment for the child or children, grants are awarded to help families meet the costs of shelter, utilities, food, and medical expenses.
**Maintenance Grants**

Maintenance grants may be used to assist with the basic need expenses such as:

- Shelter
- Food
- Utilities
- Clothing

Maintenance grants cannot be awarded for previously incurred debt, except to:

1. Prevent disconnection of utilities
2. Prevent eviction or foreclosure

**Medical Grants**

Medical grants for a child may be used to assist with healthcare expenses such as:

- Medical Care
- Surgery
- Medications
- Dental Care
- Hospitalization
- Dietary Needs

Medical grants require a written statement from a physician outlining the problem, treatment, and estimated costs. This type of grant must be approved before services are rendered. Medical grants cannot be awarded for previous medical expenses or care.

**Application Process**

All TFA applications originate at the local or Post level. A local investigator personally visits with the family to determine the needs of the children. A completed application, with supporting documents and proof of military service, is forwarded to the Department Children & Youth Chairman or Department Adjutant. The designated Department representative reviews each case, makes a recommendation, and forwards the approved application to the National Headquarters.

The Americanism and Children & Youth Division reviews all approved cases, and forwards a recommendation to the National Adjutant. Upon approval by the National Adjutant, a check is drawn and forwarded to the Department Adjutant for delivery to the Post or family. In most cases, checks will be two-party checks payable to the veteran and creditor.

The American Legion Endowment Fund
Funds for the operation of the TFA program are provided from a share of earnings of The American Legion Endowment Fund.

In 1925, World War I had been over for six years, but for veterans and their widows and children, the years had been a continuing struggle to adjust to the war’s aftermath. The members of The American Legion, aware of the grave responsibility entrusted to them by those who had served, knew the time had come to take action.

More than 900,000 Legionnaires, American Legion Auxiliary members, and other American citizens joined the campaign, raising nearly $5 million and establishing The American Legion Endowment Fund.

Since those early days, over $29 million has been distributed to disabled veterans and children of those who served our great nation and made the ultimate sacrifice.

PLEASE READ THE FOLLOWING INSTRUCTIONS VERY CAREFULLY

NOT FOLLOWING DIRECTIONS COULD DELAY PROCESSING

INDIVIDUAL MEMBER GRANTS: Grants from this fund provide emergency assistance to The American Legion or Sons of The American Legion current members in areas devastated by a declared natural disaster, to include floods, tornadoes, hurricanes, earthquakes and related adverse weather events. You must have been displaced or evacuated from primary residence and had out-of-pocket expenses to provide for food, clothing and shelter. These funds are not designed for insurance compensation or to cover monetary losses from a business, structures on your property (barns, tool sheds), equipment or vehicles. Individual members may apply for assistance. Only one grant per household (up to $1,500.00) will be approved.

POST GRANTS: Same criteria apply. Post Grants (up to $5,000.00) must derive from a declared natural disaster. Substantiating information must provide that The American Legion Post will cease to perform the duties and activities in the community due to losses sustained. A written report from a Post, District or Department officer outlining losses and the impact on community should be provided with the Grant Application. The NEF is not a replacement for insurance. It is the responsibility of each Post to have necessary insurance to sustain operations in the event of damage.

REQUIRED APPLICATION INFORMATION: Department and National Headquarters must have sufficient, documented information to justify the need. The application must be filled out completely and accurately. If needed, attach additional sheet(s) for supporting data (photos, receipts for temporary lodging and food, work estimates, etc.). NOTE: Grant requests must be submitted through the proper channels and reach National Headquarters within 90 days of the date of the disaster.

DISTRIBUTION OF COPIES: Applicant will forward original and all supporting documentation to Department Headquarters for processing. Keep a copy of all everything for your records. All grant requests must be reviewed and signed by the Department Commander or Department Adjutant before being sent to National Headquarters. Make sure you have included ALL proper documentation and photos of hardship to help justify the grant request.

RECOMMENDATION/SIGNATURE OF NEF GRANT APPLICATION: After reviewed by Department, if additional information is needed, the Department will either call or return the application to the individual member or local Post for resubmission. If the application is properly completed, a recommendation will be made and signed by either the Department Commander or Adjutant with the recommended amount, then forwarded to the National Emergency Fund Coordinator for action. When approved by the National Adjutant, a check will be issued and forwarded to Department Headquarters for issuance to the applicant.

If any of the above criteria has not been met, the application will be rejected and returned to Department Headquarters for amendment or further clarification. If the application is disapproved, it will be returned to Department Headquarters who will notify the applicant.

IF YOU HAVE ANY QUESTIONS REGARDING THE COMPLETION OF THIS APPLICATION, CONTACT YOUR DEPARTMENT HEADQUARTERS FOR HELP.

**Introduction**

To provide special recognition for the service of military veterans of WWII, the Korean Conflict and the Vietnam era, Public Act 181 of 2001, as amended, authorizes the board of a Michigan school district to award high school diplomas to WWII, Korean and Vietnam veterans. The State of Michigan recognizes the important contribution and sacrifice these generations of men and women made in our nation's defense. On behalf of the State of Michigan, the Department of Military and Veterans Affairs encourages school districts to present these diplomas to WWII, Korean and Vietnam veterans or their families.

**Procedure**

*The veteran must meet all the following requirements:*

1. before graduation from high school, the veteran enlisted in or was drafted into the armed forces of the United States between December 16, 1940 and December 31, 1946 (WWII); between June 27, 1950 and January 31, 1955 (Korean conflict); or between February 28, 1961 and May 7, 1965 (Vietnam era).
2. at the time of enlistment or draft, the veteran was enrolled in a high school of the district to which this application is made.
3. the veteran did not subsequently graduate from high school.
4. the veteran served under honorable conditions during WWII, the Korean conflict, or the Vietnam era.

The application form may be completed by the veteran or on his behalf by a spouse, brother or sister, child or grandchild.

The application requires a copy of the veteran’s discharge from military service indicating honorable service between the dates of December 16, 1940 and December 31, 1946 (WWII); between June 27, 1950 and January 31, 1955 (Korean conflict); or between February 28, 1961 and May 7, 1975. The applicant’s signature certifies the remaining information.

The school district may verify the dates of the veteran’s school enrollment from their own records.

**Replacement of a Discharge from Military Service**

Requests require the signature of the veteran or next of kin, if the veteran is deceased. Please include the veteran’s full name, date of birth, branch of military service, service number and approximate dates of military service.

A veteran who received Michigan’s WWII bonus (Public Act 12 of 1947, MCL 35.921), Korean bonus (Public Act 8 of 1955, MCL 35.972) or Vietnam bonus (Public Act 370 of 1974, MCL 35.1021-.1038) may request by letter a copy of the discharge from military service from the Michigan Veterans Trust Fund, P.O. Box 30104, Lansing, MI 48909. Please note, delayed applications for the WWII, Korean and/or Vietnam bonuses cannot be accepted. Requests require the signature of the veteran or next of kin, if the veteran is deceased. The next of kin must include a copy of the veteran’s death certificate. Please include the veteran’s full name, date of birth, branch of military service, service number and approximate dates of military service.

Secretary of State Ruth Johnson announces May 1 debut of new driver’s licenses for veterans

New licenses will carry special “Veteran” designation for honorably discharged vets

For 40 years, Dick Rossell didn’t really talk about his military service during Vietnam. “When I came home, I got thrown out of a frat party and spit on. A lot of us had mixed feelings … I never did talk about it much, but it was always important to me.”

Years passed. Attitudes changed. And when the new driver’s licenses for veterans is offered in May, U.S. Army veteran Rossell, 66, of Holly, will get one for the very same reason his battered old Jeep outside proudly carries a veteran’s license plate.

Secretary of State Ruth Johnson says her department’s new driver’s licenses for veterans, marked with the word VETERAN in bold red on the front, will help those who served their country get the benefits and discounts they have earned and deserve.

“We are indebted to these courageous men and women,” said Johnson. “I hope every store clerk, every bank teller who sees these licenses will take a moment to thank that veteran for their service and sacrifice.”

Michigan Veterans Affairs Director Jeff Barnes also supports the new veteran’s designation. “This is one more way Michigan can honor our state’s veterans and make their day-to-day lives a little easier,” Barnes said. “I look forward to being able to display the veterans’ designation on my license after May 1.”

Veterans can sign up for the new driver’s licenses and state ID cards at their local Secretary of State branch. If they are renewing their license, they’ll only have to pay the normal renewal fee. If it isn’t time for them to renew, they can order a duplicate driver’s license or state ID for $9.

Bob VanFleet, commander of American Legion Post 24 in Waterford and a Vietnam-era veteran, says he’s getting one of the new licenses. Plenty of his fellow Legion members, from World War II vets to Gulf War vets, are interested too.

VanFleet, who served in the U.S. Air Force and the National Guard, says the reason is simple: “I think all veterans should stand up and be proud.”

When asked if he’s going to get the new driver’s license, U.S. Marine Corps veteran Steve Striggow of Holly, a member of American Legion Post 149, said “You bet I will! I’m a veteran and I’m damn proud of it.”
1. **What is the veteran designation?**

The veteran designation gives veterans an easy way to prove their veteran status to receive discounts from businesses.

It also allows the Secretary of State's Office to partner with the Michigan Veteran Affairs Agency, and veteran service organizations to provide referral information so veterans better know what resources and services are available to them.

The word “Veteran” will be printed in red on the front of the card.

2. **Who is eligible to have a veteran designation on their license or ID card?**

Military veterans who served in any branch of the U.S. armed forces and have an honorable or under honorable conditions (general) discharge may have a veteran designation printed on their Michigan driver's license or state identification card.

Qualifying services include the U.S. Air Force, Air Force National Guard, Army, Army National Guard, Coast Guard, Marine Corps and Navy, as well as their Reserve components.

Individuals who actively serve in the National Guard or Reserves at the time of application may qualify for the designation if they have a DD214 with an honorable or under honorable conditions discharge.

3. **What documentation is required to obtain the veteran designation?**

Veterans must provide acceptable documentation to receive the designation. Any submitted form must indicate the character of discharge. Acceptable forms include:

- DD214 (or correction DD215), Certificate of Release or Discharge from Active Duty, any copy except Copy 1
- Form NGB FM 22 or 23, Report of Separation and Record of Service, which must indicate honorable or general discharge
- Forms WD AGO, such as WD AGO 53-55, Enlisted Record and Report of Separation Honorable Discharge
- GSA 6954, Certificate of Military Service
- NAVPERS 553, Extract of Notice of Separation from U.S. Naval Service

Secretary of State offices will accept other documents issued prior to 1950 if they indicate an honorable or general discharge. Photocopies of official documents are acceptable. Veteran documentation will not be retained by the Secretary of State and will be destroyed if provided by mail.

Documentation needs to be presented only upon the initial request for a driver’s license or ID card with the designation. Subsequent licenses and ID cards will have the designation unless you request that it be removed.
4. **How can I obtain a copy of my DD214?**

For copies of your military discharge papers, write to:

National Personnel Records Center  
1 Archives Drive  
St. Louis, MO 63138

Or you can request a copy from the National Archives online, or from Michigan Veteran Affairs Agency online or by phone at 1-800-MICHVET.

5. **Is there a cost for obtaining the veteran designation?**

If you are renewing your license or ID card, or applying for one for your first Michigan driver’s license or ID, you will pay only the normal driver’s license or ID card fee.

Otherwise, the standard fee for a duplicate or corrected license or ID card will apply.

6. **How do I add the veteran designation to my driver’s license or ID card?**

The designation may be added by visiting any Secretary of State office and providing the required documentation.

If the designation is added when you apply for your first Michigan driver’s license or ID card, or at the time you’re renewing, you will only pay the normal renewal fee. Otherwise, the standard fee for a corrected license or ID card will apply.

If you are renewing your license or ID card by mail, you must include the required documentation and the completed veteran designation application along with your renewal form so the designation is included on your new card. Please note the documentation submitted will not be returned to you. Copies are accepted.

If you want to add the veteran designation outside of your renewal period and do not want to visit a Secretary of State office, send in the completed Veteran Designation Application form, the required documentation and the applicable fee.

Current renewal and correction fees for standard licenses and state IDs are listed at [http://www.michigan.gov/sos/0,1607,7-127-1627_14648-75447--,00.html](http://www.michigan.gov/sos/0,1607,7-127-1627_14648-75447--,00.html), and for enhanced licenses and state IDs at [http://www.michigan.gov/sos/0,1607,7-127-1627_8669_9040-213056--.00.html](http://www.michigan.gov/sos/0,1607,7-127-1627_8669_9040-213056--.00.html).

Mail your completed application, veteran documentation and applicable fee to:

Michigan Department of State  
Renewal By Mail Unit  
Lansing, MI 48918.

The veteran designation cannot be requested when a driver’s license or ID card is renewed online.

7. **Am I required to obtain the designation?**

No. The designation is optional.

8. **Will my veteran status be shared with other organizations?**
Besides providing veterans with an easy way to prove their veteran status to receive discounts at retailers, the designation also allows the Secretary of State's Office to partner with the Michigan Veteran Affairs Agency and veteran service organizations across the state to provide referral information so veterans better know what resources and services are available to them.

9. Can my spouse and dependents have the veteran designation?

No.

10. Do I qualify for veteran designation if I am on active duty?

No, unless you are Active Reserve and possess a DD214.

11. How can I have the designation removed?

The designation can be removed at no charge at any time by visiting an office or requesting the removal by mailing to Michigan Department of State, Renewal By Mail Unit, Lansing MI, 48918, or faxing your request to (517) 322-6822.

12. What if I already have a veteran designation from another state?

You will be required to provide your service documentation, such as a DD214, to have the designation put on your Michigan driver’s license or ID card.

13. Does the veteran designation qualify me to receive veteran benefits?

No, the veteran designation is not legal proof of veteran status and does not qualify you for receiving benefits from the U.S. Department of Veterans Affairs, the Michigan Veteran Affairs Agency, or other state and federal agencies.
