

GOOD OF THE LEGION

Items to share with your post members at your next post meeting or to display on the bulletin board.

Get Your Post Involved with our Youth and Community Programs

This issue of the Good of the Legion is dedicated to all of our Youth and Community programs. It is packed full of information. Please read it, go to our website, and research each program to see which one fits best within your Post. Feel free to contact me, your Zone Commander, your District Commander, or your Committee Chairman if you have any questions or concerns throughout the year. We are here to assist you!

The American Legion was founded on four pillars of service: Veterans Affairs & Rehabilitation, National Security, Americanism, and Children and Youth. These pillars help guide and shape the work that the Legion does for America. Posts should strive to work together with their American Legion Family members and within their community to carry out these four pillars.

Most of our Legion programs fall under the Americanism pillar except Law Officer and Firefighter of the Year, which are under the National Security pillar. A majority of our programs cost nothing but your time and effort to participate. Posts should challenge themselves each year to undertake one new project, program, or event they have not done in previous years. Do not rest on your laurels, but strive to achieve more than you have in the past.

The American Legion's youth programs have influenced millions of people. Our programs include competitive activities, college scholarships, educational contests, citizenship programs, support for needy children, and many local activities and programs.

For the Department, Americanism includes the following programs:

- American Legion Baseball
- Youth scholarships- Brewer/Wilson, Skilled Trades, Samsung, Turner, Diamond, and Legacy scholarships
- American Legion Junior Shooting Sports
- Oratorical Contests and scholarships
- Boys State and Boys Nation
- Scouting- Eagle Scout of the Year, Square Knot Award
- Junior Law Cadet Enforcement program (Student Trooper)
- Teacher of the Year (community award)
- Law Officer of the Year (community award)
- Firefighter of the Year (community award)

Take advantage of what you have to work with. Get the word out in the community and make this year a great year for The Department of Michigan, your Zone, your District, and your Post. The more the community knows about what we do, the more the community and the Post can help the community members.

Important: For Posts/Legionnaires that choose to volunteer or take on a youth program where you will be interacting with persons under the age of 18 years old, it is strongly suggested to complete a background check and abuse awareness training yearly. You can obtain more information regarding this by emailing legion@michiganlegion.org.

\$500 Department William D. & Jewell Brewer And \$1,000 Guy M. Wilson High School Scholarships

The American Legion Department of Michigan is offering twenty (20) scholarships to be awarded in the spring of 2025. There will be five (5) William D. and Jewell Brewer Scholarships in the amount of \$500 each and fifteen (15) Guy M. Wilson Scholarships in the amount of \$1,000 each. Criteria for the two scholarships differ and will be available only to students who meet the eligibility requirements for that scholarship. Selections are based on academic performance, leadership quality, and basis of need.

- The William D. & Jewell Brewer \$500 Scholarship is available to high school seniors or college students (with no bachelor's degree) planning to or currently attending any nationally accredited college, university, or trade school in the Fall of 2025.

Law and Order Program: Nominate A Local Law Officer and Firefighter by **January 10, 2025**

What is Law and Order?

We pledge ourselves to ten purposes in the Preamble to the American Legion Constitution. Among them are:

- Uphold and defend the Constitution of the United States of America.
- Maintain Law and Order
- Foster and perpetuate 100% Americanism.
- Inculcate a sense of individual obligation to the community, state, and nation.
- Promote peace and goodwill on earth.
- To this end, we strive to maintain law and order in our homes, Posts, and communities.

We honor the “unsung heroes” of our lives – the paid and unpaid Law Officers, Firefighters, EMT, and Paramedics – who give unselfishly of themselves every day so that we might have freedom and protection from harm. The hours that they give are often “above and beyond the call of duty.”

National Firefighter and Law Officer of The Year Awards:

All nominations submitted to the Department must be from Michigan-certified Firefighters, EMTs, Paramedics, or Law Enforcement Officers. The winner of Law Enforcement Officer and Firefighter of the Year at the Department level will be submitted to the National level.

What can your Post do to support the Law and Order Program?

Each Post should hold an Awards Ceremony (and Dinner, if possible) to honor the Law Enforcement, Firefighter, EMT, and Paramedic personnel, and their families, who live and work in your community. These professionals may be paid or volunteer employees. If there are several Posts in the area, consider having a joint ceremony. You can give a certificate to each honoree or ask the Chief or co-workers of each agency to select their outstanding professional to receive your certificate, plaque, or other awards.

If your Post already holds a ceremony for a local Law or Firefighter of the Year please pass their nomination on to Department!

Nomination forms are available now for Law Officer and Firefighter of the Year. Visit www.legion.org/lawofficer or www.legion.org/firefighter to obtain a copy.

EAGLE SCOUT OF THE YEAR: UP TO \$10,000 SCHOLARSHIP!

American Legion, Department of Michigan Scouting program sponsors over 65 troops, packs, and crews in our American Legion posts. The Legion's support for Boy Scouts of America began at the Legion's first national convention in 1919. This is natural for Legionnaires, who bring their service-learned skills and experiences as veterans to help build character and positive traits in our country's youth. Few other post activities generate more goodwill from the community.

Eagle Scout of the Year: Applications Due March 1, 2025

The American Legion, Department of Michigan, honors the Eagle Scout of the Year at the department convention. The competition winner receives a \$1,000 scholarship and advances to the national competition. The American Legion annually honors the Eagle Scout of the Year at the national convention. The competition winner receives a \$10,000 scholarship, and the three runners-up are each awarded \$2,500 scholarships.

The Eagle Scout of the Year application and eligibility requirements are at www.michiganlegion.org/scouting.

\$500 TEACHER OF THE YEAR AWARD: NOMINATE A LOCAL TEACHER BY **APRIL 10, 2025**

K-12 Teachers are a national treasure; their job to educate our youth is sometimes challenging but very rewarding. Teachers help shape the future of our country by the lessons and principles they teach to the youth who sit day after day in their classroom. The American Legion knows some teachers teach about patriotism, Americanism, and the founding principles of the United States of America. We recognize that teachers spend their money in the classroom and on their kids to make learning more enjoyable or comprehensible. Every year in The American Legion, the Department of Michigan recognizes five teachers working hard to impart those lessons to the children entrusted to them. We realize this is only a small gesture in the grand scheme of things, but we want to recognize them for their work.

Posts are asked to work with their local schools to help locate a teacher who fits the criteria to be nominated for this award. Nomination forms are available on our website, www.michiganlegion.org/teacher, and are due by April 10, 2025.

Junior Shooting Sports: \$1,000 to \$5,000 Scholarships Available

The American Legion Junior Shooting Sports Program is a gun safety education and marksmanship program encompassing safety, education, enjoyment, and competition. Shooters use the .177 caliber air rifle. Both males and females can participate through Legion sponsorship; disabled youth are encouraged to join, as competitive shooting is a sport that creates an equal playing field for all competitors. Contact your local Legion post, Sons of The American Legion squadron, or Auxiliary unit for information about affiliating as a club or individual.

Air Rifle Competition

The annual 3-Position Junior Air Rifle National Championship begins with postal matches. State and regional champions are determined and advance to a qualification round (also a postal match) to determine the athletes who will earn expense-paid trips to compete in the national championship. The national championship is a shoulder-to-shoulder match held each July. This year, the JSSP National Championship will be held in Hillsdale, MI, on July 22-25, with the top 15 qualifying marksmanship winners in Precision and the Sporter Events. The event and the results will be on the National website for review and follow-up.

Categories

Competitors may participate in only one of two categories in the tournament, based on the type of rifle they wish to use: Precision Air Rifle or Sporter Air Rifle.

Sponsorship

Entry in the tournament is limited to individual shooters or teams who are active members of a Junior Shooting Club sponsored by a Michigan American Legion Post.

Scholarships Available (in each category):

- First Place Scholarship Winner of \$5,000
- Runner Up Scholarship of \$1,000.

Age Limits

All contestants must be at least 14 and under 18 as of January 1 of the competition year.

Contestants must be enrolled in a junior or senior high school or be a high school graduate of that competition year.

Other Limitations:

Each competitor may fire on only one set of "official match targets" during the state championship phase of the tournament. A shooter is ineligible to compete in the National Championship in successive years UNLESS they are moving from Sporter to Precision Category.

Registration: Opens September 1, 2024

Registration is done completely online at www.legion.org/jssp-club-registration.

Other key dates for this program are listed on the "Tentative Program Dates" page of this newsletter.

Recruitment of high school students, both male and female, representing all communities and backgrounds in the state, is one goal of the program. Once these young people have been selected to attend the program, the law enforcement community is challenged to present a program that will instill an understanding and respect for law enforcement professionals and their techniques. Students participate in daily calisthenics and receive training in firearms, self-defense, fingerprinting, K-9 handling, accident and criminal investigation, and state patrol car driving. Students stay at the Michigan State Police Training Academy in Lansing.

Boys State: A Civic Leadership Program

The American Legion Boys State program is a non-partisan, non-political mock government exercise. At Boys State, participants learn citizens' rights, privileges, and responsibilities. Its purpose is to awaken within the youth of our nation a sincere conviction that a well-informed, intelligent, and involved citizenry is vitally needed to protect and preserve our American traditions. The training is objective and modeled on the city, county, and state government structures.

Boys State grows out of the American Legion's faith in our young people and its firm belief that the future leaders of our country should have the tools necessary to keep it: a deep appreciation of active citizenship, an understanding of democracy, familiarity with our American form of government, and the discernment to select - and to be - productive leaders.

How to Raise Funds to Sponsor a Student for Boys State and Student Trooper

We realize that the cost of Boys State and Student Trooper can be problematic for some Posts to come up with, especially when they are \$400 and \$475 for each student. A little pre-planning can solve the financial problems for the future. You may find that this year the Post is willing, but the bank account is low. How do you get the necessary funds for THIS year? Here is a list of successful ideas used by other Posts to raise funds:

Post funds - Boys State and Student Trooper should be budget items. Make it a practice to include it in Program Expenditures.

SAL & 40/8 Funds - Contact them to obtain sponsorship for a delegate or partial delegate. If you don't ask, they don't volunteer.

Special fund-raising events - Dinners, a fish fry, dances, golf or fishing tournaments, bowl-a-ton, bingo games earmarked for Boys State/Student Trooper, card parties, white elephant auctions, bake sales, garage sales, etc.

Booster Club - Donations by individuals in return for names posted in your Post Home or Post Newsletter.

Outside donors - Moose, Elks, Rotary, Kiwanis, Optimist, Lions, Knights of Columbus, etc. Many of our Posts enlist the help of community service organizations. Posts collect money from other businesses, deposit it into the Post account, and then write a check to the Michigan American Legion Foundation for either Boys State or Student Trooper.

Appeal for donations in the post - Set up a donation jar in the lounge or game room. Circulate the donation jar at all Post functions.

The possibilities are limited only by imagination and the willingness to work!

American Legion Baseball: \$500 Scholarship and How to Start a Team

The American Legion Baseball Program is the largest, oldest, and most respected youth baseball program in the United States. Regularly scouted by colleges and professional teams, over half of today's Major League players are graduates of the Legion Baseball Program, with 82 being members of the MLB Hall of Fame. Legion Baseball is also well-grounded in essential values instead of athletic ability alone. The emphasis is on teamwork, loyalty, respect, personal growth/maturity, Americanism, and community strength through service/volunteerism. Although not all-inclusive, the following is a general guide for those wishing to form a new American Legion Baseball team within Michigan.

Tips For Starting a Team:

- All teams should have the objective of winning the World Series. The competition and teamwork to achieve this goal are what build character.
- Decide Upon a Team Name and a Division of Competition (Senior or Junior, Class A or Class AA)
- Recruit players committed to playing on your Legion team who share the objective of winning the World Series.
- Seven-inning games are played in the 8 team double elimination championship tournaments at the national level. Therefore, the team must have a deep pitching staff to win the Regional and World Series games.
- Make Arrangements for a Home Field; Plan Player Registration and tryouts; Schedule Games and enter Tournaments. Try to have a maximum of 18 players on your team to increase the number of youths we support through this great program. If a team has less than 12 players available to play during the playoffs, the team will be disqualified from further play.
- Try to maximize the number of games played by your team. There is no reason why a Legion baseball team can't play in another league; however, once the Legion playoffs begin, the Legion team must be committed to playing in the Legion playoffs.
- It doesn't have to cost the Post anything to sponsor a Legion baseball team. However, it is traditional that the sponsoring Post pays for the team registration fee and insurance.
- Line Up Your Coaching staff. Work with your coach to establish a budget and develop a plan to raise money to fund the team's expenses. It is permissible for the players to contribute financially to the program.
- Baseball has many rules. Integrity in the program is maintained by strictly and fairly enforcing the rules. Therefore, read and know the rules. The National Rule Book and Department (State) Rule Book will be available online after January
- Start early. Start now. Please pay attention to the timeline/deadline information outlined on our website in January. If you have any questions, ask your local Baseball Chairman.
- Register Your Team via the National Registration System at www.legion.baseball.org
