Department and National Dues distribution

The Post must remit a total of \$42.00 to the Department for each membership card received.

Department Dues	\$ 17.10
District Commander Reserve	\$.40
Vice Commander Reserve	\$.25
Scholarship	\$.25
Department Total	\$ 18.00
National Dues	\$ 24.00
Grand Total	\$ 42.00

Each District Commander, by convention action, earns an expense allowance, or budget of .40 cents per member within each respective district for the District Commander's official use. Likewise, each Zone Commander earns .25 cents per member within each zone.

The Reserve Fund accumulates with the first current year's membership received at Department Headquarters. The Reserve Fund is dispersed at your discretion, providing the funds are used to carry out and develop American Legion programs within your district, or zone.

Travel and Expense Voucher Forms are to be submitted to Department Headquarters on a monthly basis. Expense reimbursement requests cannot be paid until a sufficient amount of money has accumulated in your account, per your current membership.

When submitting a voucher, itemize each individual/daily expense. The monies earned can be used for such items as: travel, postage, telephone, stationery and supplies, trophies and awards. **All expenses, except mileage, must have receipts attached. Reimbursements for travel for a Post visit by a District Commander or their representative must be accompanied by a "Post Visitation Form" to be approved and paid.**

The sum of \$100 covering one (1) day's per diem for the next Department Convention will be charged against your total Reserve Fund.

You are encouraged to periodically contact the Department Accountant to determine actual amounts available to you from the Reserve Fund. (517) 220-2751 or finance@michiganlegion.org for email.

"In addition to the above regular meetings, special meetings shall convene upon call of the Department Commander or upon petition signed by the majority of the members of the Department Executive Committee, duly filed with the Department Adjutant, setting forth the reasons therefore."

“Notice of all meetings shall be given not less than five (5) days before any such meeting is held. In case a meeting convenes upon petition, the same shall be called by the Department Adjutant within (10) days after the filing of the petition.”

To insure one hundred percent attendance at these meetings, travel and per diem expense will be allowed members of the Committee for attendance.

This expense will be paid upon the following basis:

Travel shall be at the rate of .51 cents per mile rate for travel by automobile plus bridge toll for crossing the Mackinac Straits. Travel to be figured by Google Maps. Per Diem shall be at the rate of \$100.00 for a full day. It shall not be considered as compensation for services but for expenses incurred while traveling to and from and while attending the scheduled meeting, and only upon the authority of the Department Commander.

No expense will be allowed to Alternate Members unless representing their respective absent District Commander. We would, however, strongly urge all Alternates to attend all meetings.

Finance Processing Procedures

1. No member of the DEC may have expenses reimbursed out of more than one account:
2. Any expenses incurred by you in the line of duty are paid in full, up to the line of credit in each respective account with the exception that Department will deduct \$100 out of each account to apply toward convention.

Post Charter Cancellation Procedure

District Commanders and their respective district officers must at times make important decisions concerning the cancellation of post charters within their districts. When it is definitely determined that a post charter must be considered for cancellation due to causes covered in the Department Constitution Article VII, Section 16, or a failure to hold the required membership of 15, the following steps should be followed by the District Commander AND following the steps outlined in the Post Cancellation Checklist.

- A. Consult with the last known Post Commander and Adjutant
- B. Consult with Department Post Development and Membership & Post Activities
- C. Be certain that each post member on the current roster has been notified by receiving a copy of each notice of the intention to file for charter cancellation, and
- D. Make a thorough survey of the assets of the post, both real and financial. *If there is any reasonable hope that the post may be revitalized, attempt to do so.*

Upon a definite district decision to request cancellation of a post charter, the committeeman should make written notification to Department Headquarters not later than ten (10) days prior to the next official meeting of the Department Executive Committee that the District Commander recommends the consideration of the cancellation of a post charter. This will allow sufficient time for the Department Adjutant to send a letter concerning the cancellation recommendation to the last known Post Commander or Adjutant of the post in question. This action will permit the post officers to appear at the DEC Meeting to defend the charter cancellation if they desire.

The matter of post charter cancellation will be on the agenda of the next DEC Meeting and the complete file supplied for reference. The respective District Commander will be requested to supply further evidence and to make a motion for the cancellation. The action of cancellation is then provided to the National Adjutant for final cancellation by the National Executive Committee.

To Create a Post

The Department's Constitution and Bylaws identifies the District Commander as the individual with this responsibility. We advise that you seek assistance and guidance from the Department Post Development Committee; their procedures for assisting the district follow this letter.

Fifteen eligible veterans may come together to form a new American Legion post in the department. When you learn of such a group, your first responsibility is to verify their eligibility for membership in The American Legion by inspecting their individual military separation documents. The next step is to assist them in selecting their temporary leadership.

Then, call the Membership Coordinator at Department Headquarters (517) 220-2749 or email member@michiganlegion.org and request an application for a temporary charter.

The temporary charter application is a three-part form. The original copy requires the signatures and addresses of the applicants. Copies two and three require their names and addresses to be neatly printed or typed. Use plain bond paper for the continuation of names and addresses for all three parts of the charter application.

The new Legionnaires select a name and number for their post. Please call Department Headquarters for the available numbers.

When the temporary charter application is complete, you, as the District Commander, forward it to the Department Commander at the Lansing Headquarters. When the commander approves the application, department will forward it to National Headquarters for preparation of a temporary charter.

National Headquarters will, in turn, register the new post and provide a temporary charter and a New Post Kit for the use of the temporary leaders. When the temporary charter is received, Department Headquarters will provide membership cards.

From the point of receiving the temporary charter, the new post has a six-month probationary period. During this time, they will draft, and submit for department approval, their Constitution and By-Laws, elect officers and begin participating in American Legion programs.

Before the end of the probationary period, the District Commander will make a recommendation to the DEC that the new post be accepted as a permanent post of the Department of Michigan.

Michigan Veterans Trust Fund Committee Appointments

At the founding of the Michigan Veterans Trust Fund, a procedure was established by the State Board and approved by the various veterans' organizations. The American Legion's function is to provide willing and capable All War Era veterans, who are American Legion members with 180 days of active wartime service, to serve on each of the County Committees. This requires the assistance of each District Commander. The practice during the last several years has been as follows:

When a vacancy occurs on a County Committee, the District Commander is requested to secure and recommend a replacement. This is a matter of urgent business in order that The American Legion may have a capable and active member on each County Committee at all times.

Department Headquarters is notified when a vacancy occurs on a County Committee through resignation or death. The Department Adjutant then notifies, by letter, the District Commander who notifies all the posts of the district wherein the county is located, of the opening. Each post is then requested to contact the District Commander, to make a recommendation, if desired. In considering a recommendation, the nominee must:

- A. Be an active and paid-up member of The American Legion;
- B. Be a veteran with a minimum of 180 days of active duty in one or more of the All War Eras. (*Michigan Compiled Law 35.606*)

C. Be a veteran who resides within the county;

D. Be a veteran who is willing and able to accept and discharge the duties as a member of the Veterans Trust Fund County Committee. *There is a requirement of missing no more than three meetings.*

This recommendation is to be mailed to Department Headquarters (212 N. Verlinden, Lansing, MI 48915). It will then be forwarded by department to the Michigan Veterans Trust Fund for official appointment. Please do not mail directly to the Veterans Trust Fund; mail to Department Headquarters.

Authorization:

This procedure was authorized in its present form by the Department Executive Committee on September 25, 2024, at the Annual Fall Conference in Traverse City, Michigan.

Purpose:

This procedure protects the rights of Members and ensures that the Trial of a Legionnaire will be full and fair as required by the Department of Michigan Constitution Article VII Section 14.

Procedure:

This procedure shall govern all trials held by The American Legion Department of Michigan or any Post within The American Legion Department of Michigan as set forth in the Constitution or the By-Laws of the Department of Michigan.

Discipline of Members must be carried out in full compliance with this procedure. Any deviation will invalidate the charges brought against the Member or Officer at any level.

A “Convening Authority” shall be defined as the Post, the District, or the Department who has jurisdiction over the charges and the trial.

The “Convening Authority” shall be determined by the Accuser’s position; either a member of the same Post, a member of the same District, or a Department Officer as defined in this procedure.

The Convening Authority shall hold the trial at the Accused’s Post or in the Accused’s District, or at the Department Headquarters, however the Department may hold the trial by using remote meeting technology.

ARTICLE I. COMPLAINT AND SUMMONS

1. Disciplinary action against any Member or Officer within the Department of Michigan shall be upon sworn and verified written charges by the accuser(s).
2. Said sworn and verified written charges shall be filed with the Adjutant of the Convening Authority. The oath must be sworn to before a notary public or before a Post, District or Department Adjutant, and shall be substantially in this form: “Do you solemnly swear (or affirm) that the contents of this document are true and correct, and that you signed it freely, so help you God?”

The Notary or Adjutant shall affix their signature near that of the Accuser, together with “signed and sworn before me on date.”

The Department Judge Advocate shall determine if Good and Substantial cause exist before such request is granted

5. No charge may be filed against any member if more than one (1) year has passed since the date of the offence. Except when civil or criminal charges have been filed against the accused.
6. A copy of the sworn or verified written charges shall be served upon the Accused by the Adjutant of The Convening Authority, either in person with proof of service or by certified mail to the last known address with proof thereof by a return receipt.
When the Adjutant of The Convening Authority is the subject of the Charge, the Adjutant of the next higher Convening Authority shall assume the duties required of the Adjutant in this procedure.
7. If property or buildings become the property of the Department, the Department Adjutant shall guarantee that the property is properly insured.

Every effort should be made to ascertain an Assessed Value from the city or county. Because the property is used for charity, it is exempt from property taxation. The local Assessor should be invited to inspect the property and provide a tentative SEV. The Assessor should do this because there is a high likelihood the buyer will not have the charity exemption; thus, local government can enhance its property tax base. If an SEV cannot be determined, an independent Appraiser should be retained to determine the cash value of the property.

When the cash value of the property has been determined by a property taxation professional, the amount can be used to negotiate with a licensed Real Estate Broker to determine the “Asking Price” of the property. If a majority of the Finance/Personnel committee approved the “Asking Price” of the property, the Department Adjutant may sign a “Listing Agreement” with the Broker.

When a prospective buyer makes written offer to purchase the property, the Department Adjutant shall transmit the offer to the Finance/Personnel committee. A majority of the committee can accept or reject the offer. Additionally, the Department Adjutant could be authorized to make a counter-offer to the prospective buyer.

ARTICLE VII INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Third-Party Suits. To the extent permitted by Michigan law from time to time in effect and subject to the provisions of this Article VII, the Corporation shall indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal, other than an action by or in the right of the Corporation, by reason of the fact that he or she is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses (including attorneys' fees), judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding, if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation and the person submits a written claim for indemnification as hereinafter provided and, with respect to a criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful and the person submits a written claim for indemnification as hereinafter provided. The termination of an action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nob contendere* or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to a criminal action or proceeding, had reasonable cause to believe his or her conduct was unlawful.

The right to indemnification conferred in this section shall be a contract right.

Section 2. Suits By or in the Right of the Corporation. To the extent permitted by Michigan law from time to time in effect and subject to the provisions of this Article VII, the Corporation shall indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation and the person provides a written claim for indemnification as hereinafter provided. Indemnification shall not be made, however, for a claim, issue, or matter in which the person shall have been found liable to the Corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnification for expenses which the court considers proper.

The right to indemnification conferred in this section shall be a contract right.

Section 3. Indemnification Against Expenses. To the extent that a director, officer, employee, nondirector volunteer, or agent of the Corporation has been successful on the merits or otherwise in defense of an action, suit, or proceeding referred to in Section 1 or 2 of this Article VII, or in defense of a claim, issue or matter in the action, suit, or proceeding, he or she shall be indemnified against actual and reasonable expenses, including attorneys' fees, incurred by him or

her in connection with the action, suit, or proceeding and in any action, suit, or proceeding brought to enforce the mandatory indemnification provided in this subsection.

Section 4. Determination that Indemnification is Proper. Any indemnification under Section 1 or 2 of this Article VII, unless ordered by a court, shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in said Sections 1 and 2 and upon an evaluation of the reasonableness of expenses and amounts paid in settlement. Such determination shall be made within 30 days after a written claim for indemnification has been received by the Corporation and shall be made in any of the following ways: (1) by a majority vote of a quorum of the Board consisting of directors who were not parties or threatened to be made parties to the action, suit, or proceeding; or (2) if such a quorum is not obtainable, then by a majority vote of a committee of directors duly designated by the Board and consisting solely of two (2) or more directors not at the time parties or threatened to be made parties to the action, suit, or proceeding; or (3) by independent legal counsel in a written opinion, which counsel has been selected in one of the following ways: (a) by the Board or its committee in the manner described in Subsection 4(1) or 4(2) of this Article VII, or (b) if a quorum of the Board cannot be obtained under Subsection 4(1) and a committee cannot be designated under Subsection 4(2) of this Article VII, by the Board; or (4) by all independent directors, if there be any, who are not parties or threatened to be made parties to the action, suit, or proceeding.

If a person is entitled to indemnification under Section 1 or 2 of this Article VII for a portion but not for the total amount of expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement, the Corporation shall indemnify the person for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the person is entitled to be indemnified.

Section 5. Reimbursement of Expenses. Reasonable expenses incurred in defending a civil or criminal action, suit, or proceeding described in Sections 1 and 2 of this Article VII may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding if all of the following apply: (1) the person furnishes the Corporation a written affirmation of his or her good faith belief that he or she has met the applicable standard of conduct set forth in Sections 1 and 2 of this Article VII; (2) the person furnishes the Corporation a written undertaking, executed personally or on his or her behalf, to repay the advance if it is ultimately determined that he or she did not meet said standard of conduct; and (3) a determination is made that the facts then known to those making the determination would not preclude indemnification under the Michigan Nonprofit Corporation Act, such determination to be made as set forth in Section 4 of this Article VII. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

Section 6. Right of Indemnatee to Bring Suit. If a claim for indemnification is not paid in full by the Corporation within forty-five (45) days after a written claim has been received by the Corporation, the officer, director, employee, nondirector volunteer, or agent who submitted the claim (hereinafter the "Indemnatee") may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit or in a suit brought by the Corporation to recover advances, the Indemnatee shall be entitled to be paid also the reasonable expenses incurred in prosecuting or defending such claim.

In any action brought by the Indemnatee to enforce a right hereunder (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its

final disposition where the required undertaking, if any, has been tendered to the Corporation) it shall be a defense that the Indemnitee has not met the applicable standard of conduct set forth in Section 1 or 2, and it shall also be a defense that the expenses incurred or amounts paid in settlement were unreasonable. Furthermore, in any action brought by the Corporation to recover advances, the Corporation shall be entitled to recover such advances if the Indemnitee has not met the applicable standard of conduct set forth in Section 1 or 2.

Neither the failure of the Corporation (including its Board of Directors, or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the Indemnitee is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 1 or 2, nor an actual determination by the Corporation (including its Board of Directors, or independent legal counsel) that the Indemnitee has not met such applicable standard of conduct or that expenses incurred or amounts paid in settlement were unreasonable, shall be a defense to an action brought by the Indemnitee or create a presumption that the Indemnitee has not met the applicable standard of conduct. In any action brought by the Indemnitee to enforce a right hereunder or by the Corporation to recover payments by the Corporation of advances, the burden of proof shall be on the Corporation.

Section 7. By-laws Not Exclusive. The indemnification or advancement of expenses provided under Sections 1 through 5 of this Article VII is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Corporation's Articles of Incorporation, By-laws, or a contractual agreement. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses. The indemnification provided for in Sections 1 through 5 continues as to a person who ceases to be a director, officer, partner, trustee, employee, nondirector volunteer, or agent, and shall inure to the benefit of the heirs, executors, and administrators of the person.

Section 8. Liability Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another corporation, business corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the Corporation would have power to indemnify him or her against such liability under the Michigan Nonprofit Corporation Act or Sections 1 through 6 of this Article VII.

Section 9. Definitions. As used herein, "Corporation" includes all constituent corporations absorbed in a consolidation or merger and the resulting or surviving corporation, or business corporation so that a person who is or was a director, officer, employee, nondirector volunteer, or agent of the constituent corporation or is or was serving at the request of the constituent corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise whether for profit or not for profit shall stand in the same position under the provisions of this section with respect to the resulting or surviving corporation or business corporation as the person would if he or she had served the resulting or surviving corporation or business corporation in the same capacity.

ARTICLE VIII

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Third-Party Suits. To the extent permitted by Michigan law from time to time in effect and subject to the provisions of this Article VIII, the Corporation shall indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal, other than an action by or in the right of the Corporation, by reason of the fact that he or she is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or

other enterprise, whether for profit or not for profit, against expenses (including attorneys' fees), judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding, if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation and the person submits a written claim for indemnification as hereinafter provided and, with respect to a criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful and the person submits a written claim for indemnification as hereinafter provided. The termination of an action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to a criminal action or proceeding, had reasonable cause to believe his or her conduct was unlawful.

The right to indemnification conferred in this section shall be a contract right.

Section 2. Suits By or in the Right of the Corporation. To the extent permitted by Michigan law from time to time in effect and subject to the provisions of this Article VIII, the Corporation shall indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation and the person provides a written claim for indemnification as hereinafter provided. Indemnification shall not be made, however, for a claim, issue, or matter in which the person shall have been found liable to the Corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnification for expenses which the court considers proper.

The right to indemnification conferred in this section shall be a contract right.

Section 3. Indemnification Against Expenses. To the extent that a director, officer, employee, nondirector volunteer, or agent of the Corporation has been successful on the merits or otherwise in defense of an action, suit, or proceeding referred to in Section 1 or 2 of this Article VIII, or in defense of a claim, issue or matter in the action, suit, or proceeding, he or she shall be indemnified against actual and reasonable expenses, including attorneys' fees, incurred by him or her in connection with the action, suit, or proceeding and in any action, suit, or proceeding brought to enforce the mandatory indemnification provided in this subsection.

Section 4. Determination that Indemnification is Proper. Any indemnification under Section 1 or 2 of this Article VIII, unless ordered by a court, shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in said Sections 1 and 2 and upon an evaluation of the reasonableness of expenses and amounts paid in settlement. Such determination shall be made within 30 days after a written claim for indemnification has been received by the Corporation and shall be made in any of the following ways: (1) by a majority vote of a quorum of the

Board consisting of directors who were not parties or threatened to be made parties to the action, suit, or proceeding; or (2) if such a quorum is not obtainable, then by a majority vote of a committee of directors duly designated by the Board and consisting solely of two (2) or more directors not at the time parties or threatened to be made parties to the action, suit, or proceeding; or (3) by independent legal counsel in a written opinion, which counsel has been selected in one of the following ways: (a) by the Board or its committee in the manner described in Subsection 4(1) or 4(2) of this Article VIII, or (b) if a quorum of the Board cannot be obtained under Subsection 4(1) and a committee cannot be designated under Subsection 4(2) of this Article VIII, by the Board; or (4) by all independent directors, if there be any, who are not parties or threatened to be made parties to the action, suit, or proceeding.

If a person is entitled to indemnification under Section 1 or 2 of this Article VIII for a portion but not for the total amount of expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement, the Corporation shall indemnify the person for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the person is entitled to be indemnified.

Section 5. Reimbursement of Expenses. Reasonable expenses incurred in defending a civil or criminal action, suit, or proceeding described in Sections 1 and 2 of this Article VIII may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding if all of the following apply: (1) the person furnishes the Corporation a written affirmation of his or her good faith belief that he or she has met the applicable standard of conduct set forth in Sections 1 and 2 of this Article VIII; (2) the person furnishes the Corporation a written undertaking, executed personally or on his or her behalf, to repay the advance if it is ultimately determined that he or she did not meet said standard of conduct; and (3) a determination is made that the facts then known to those making the determination would not preclude indemnification under the Michigan Nonprofit Corporation Act, such determination to be made as set forth in Section 4 of this Article VIII. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

Section 6. Right of Indemnitee to Bring Suit. If a claim for indemnification is not paid in full by the Corporation within forty-five (45) days after a written claim has been received by the Corporation, the officer, director, employee, nondirector volunteer, or agent who submitted the claim (hereinafter the "Indemnitee") may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit or in a suit brought by the Corporation to recover advances, the Indemnitee shall be entitled to be paid also the reasonable expenses incurred in prosecuting or defending such claim.

In any action brought by the Indemnitee to enforce a right hereunder (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any, has been tendered to the Corporation) it shall be a defense that the Indemnitee has not met the applicable standard of conduct set forth in Section 1 or 2, and it shall also be a defense that the expenses incurred or amounts paid in settlement were unreasonable. Furthermore, in any action brought by the Corporation to recover advances, the Corporation shall be entitled to recover such advances if the Indemnitee has not met the applicable standard of conduct set forth in Section 1 or 2.

Neither the failure of the Corporation (including its Board of Directors, or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the Indemnitee is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 1 or 2, nor an actual determination by the Corporation (including

its Board of Directors, or independent legal counsel) that the Indemnatee has not met such applicable standard of conduct or that expenses incurred or amounts paid in settlement were unreasonable, shall be a defense to an action brought by the Indemnatee or create a presumption that the Indemnatee has not met the applicable standard of conduct. In any action brought by the Indemnatee to enforce a right hereunder or by the Corporation to recover payments by the Corporation of advances, the burden of proof shall be on the Corporation.

Section 7. By-laws Not Exclusive. The indemnification or advancement of expenses provided under Sections 1 through 5 of this Article VIII is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Corporation's Articles of Incorporation, By-laws, or a contractual agreement. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses. The indemnification provided for in Sections 1 through 5 continues as to a person who ceases to be a director, officer, partner, trustee, employee, nondirector volunteer, or agent, and shall inure to the benefit of the heirs, executors, and administrators of the person.

Section 8. Liability Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, nondirector volunteer, or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another corporation, business corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the Corporation would have power to indemnify him or her against such liability under the Michigan Nonprofit Corporation Act or Sections 1 through 6 of this Article VIII.

Section 9. Definitions. As used herein, "Corporation" includes all constituent corporations absorbed in a consolidation or merger and the resulting or surviving corporation, or business corporation so that a person who is or was a director, officer, employee, nondirector volunteer, or agent of the constituent corporation or is or was serving at the request of the constituent corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise whether for profit or not for profit shall stand in the same position under the provisions of this section with respect to the resulting or surviving corporation or business corporation as the person would if he or she had served the resulting or surviving corporation or business corporation in the same capacity.

As used herein, "other enterprise" shall include employee benefit plans; "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and "serving at the request of the Corporation" shall include any service as a director or officer of the Corporation which imposes duties on, or involves services by, the director or officer with respect to an employee benefit plan, its participants, or its beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be considered to have acted in a manner "not opposed to the best interests of the Corporation or its shareholders" as referred to in Sections 1 and 2.
